

Refocusing the CPA Supporting the Workforce Launch 2010

Leeds-Birmingham-Brighton-Bristol

Four FREE conferences

The Department of Health and the partnership team that developed the Refocusing CPA learning materials in 2009 (<http://www.lincoln.ac.uk/ccawi/cpa.htm>) are keen to attract individuals from all levels and all professional groups who have an interest and responsibility in relation to the CPA. This includes board level, SHA and Deanery, management, CPA leads, independent sector, social care, higher education, service user/carer representatives and practitioners.

The aims of these events are:

1. To launch the national (refocused) CPA learning resource
2. To explore ways to work together to promote positive practice in the CPA

The dates and venues for the **all day** conferences are as follows:

Wed. 27 January 2010	LEEDS: St Georges Church Conference Centre
Friday 29 January 2010	BIRMINGHAM: Austin Court
Tues. 2 February 2010	BRIGHTON: University of Brighton
